

# The 14<sup>th</sup> International Symposium on Nano & Supramolecular Chemistry ISNSC2025

## FIRST CIRCULAR

The International Symposium on Nano & Supramolecular Chemistry (ISNSC) has provided an excellent platform for participants to share their research experiences and innovative ideas on various interdisciplinary topics such as supramolecular chemistry, nanoscience and technology, coordination chemistry, material science, catalysis, magnetism, and engineering. It also has offered an opportunity to conduct joint international research; for this reason, it is our great pleasure to invite you to attend the Symposium on Nano & Supramolecular Chemistry (ISNSC2025) to be held in Santiago, Chile, from August 31st to September 3rd, 2025.

### Conference Chairs

Diego Venegas-Yazigi (Universidad de Santiago de Chile, USACH, Chile)

Verónica Paredes-García (Universidad Andrés Bello, UNAB, Chile)

### Venue

The conference will take place at the Best Western Premier Marina Las Condes, located in the new and pleasant area of Las Condes, with a beautiful view of the Andes Mountains, in the best town in modern Santiago. The Best Western Premier Marina Las Condes Marina is at Avenida Alonso de Cordova 5727, Santiago, Chile.
